

NATIONAL JUNIOR LEAGUE 2020/21

Table Tennis England are continuing to plan for a full season. We recognise that the situation will evolve and it is likely we will have to adapt our plans. We will continue to communicate with clubs, leagues and individual members as the current restrictions are eased and a way forward for sport becomes clearer. [You can see the detailed Table Tennis England return to play information here](#), which is being regularly updated.

However, we do need to prepare and put the foundations for competition in place. On this basis, we trust that providing advance notification of a refund policy if activity is cancelled or curtailed or otherwise altered will be helpful, and give members confidence to make arrangements moving forward.

A date will be established and published, which will represent a 'stop/go' decision on whether a scheduled league round will take place. You can expect to receive a minimum 6 weeks' notice for rounds.

If a particular round, or several rounds, are unable to take place as scheduled or intended, then the league committee will consider how best to deliver league activity, and whether any change to format is required.

It is anticipated that activity will be restricted to the remaining published league dates only.

A proportional refund of entry fees will be offered, relative to the proportion of activity able to take place. As an illustration: if one day of fixtures is unable to take place, then clubs will be offered a refund of 25% of entry fees.

Stop/Go dates

For events on 17 October: 'stop/ go' decision day will be 5 September

For events on 28 November: 'stop/ go' decision day will be 17 October

The National Junior League (NJL) was first run in season 1997/8 to fill the gap between the Woolwich Junior British League and Woolwich Junior Leagues. The NJL was formed in response to demands for local competition by grass roots junior players and by the reluctance of many of them to play in evening leagues. Last season 195 teams played in 16 centres all over the country on 4 days.

Competition this season is planned to take place on the following dates:

Saturdays – 17 October, 28 November, 9 January & 27 March

The following venues have variation(s), agreed by Tournament Approval Panel, as follows:

BRISTOL – Sundays 18 October, 29 November, 31 January, 28 March

CIPPENHAM – day 4 will be 6 or 13 March - teams will be informed by Christmas

ELLENBOROUGH – day 3 will be either 9 January or 6 March

GREENHOUSE CENTRE & HORSHAM - Sundays 18 October, 22 November, 10 January, 28 March

HALTON – day 1 will be 31 October and day 4 will be 20 February

LONDON ACADEMY –31 October, 28 November, 20 February, 6 March

MORPETH - Sundays 8 November, 13 December, 24 January, 28 February (different players to NCL entrants)

ORMESBY – day 4 will be either 13 February or 27 March

PLYMOUTH – Sundays 22 November, 13 December, 24 January, 14 March (must be different players to NCL entrants)

STOWMARKET – Sundays 29 November, 13 December, 10 January, 7 February (must be different players to NCL entrants)

WOOD GREEN – days 3 & 4 will be 30 January and 20 February

Clubs apply to enter teams of three to play in venues closest to their club's location, thus saving travel and accommodation costs. The preferred option is graded divisions for boys and girls (minimum of 6 girls' teams). However mixed teams and divisions are acceptable to all but the players will miss out on ranking points when playing the opposite sex if either player has 600 or more ratings points.

The schedule of play guarantees a full day's participation and was based on a six-team division playing on one or two tables with each team playing every other on each of the four days. Each team match would then consist of six singles sets, each the best of five games, with both teams listed in strict ranking order and A v Y, B v X, C v Z, A v X, C v Y, B v Z being the sets played. **This may be altered to nine singles and IS NOW THE PREFERRED OPTION WHENEVER POSSIBLE**, but is dependent on the number of teams entered. **Each day's play must provide a minimum of NINE individual matches per player per three player team.** Medals to a total of 4 per team will be available to local organisers to the equivalent of two sets per six teams entered.

The ranking weighting is 1.0. The Winners of the top division at each centre may apply for promotion to the JBL. Players who are registered or play in the Junior British League in the current season will not be eligible to play.

To play in the NJL in 2020/21, players must hold a Table Tennis England Compete membership (previously known as 'Player Membership') or a Compete Plus membership (previously known as a 'Player Licence'). Compete membership (£8 per person per annum) can be obtained online at tabletennisengland.co.uk/membership (AFTER JULY 20th 2020) or from the Table Tennis England Head Office – Telephone: 01908 208898 (AFTER AUGUST 3rd 2020). Even though a Compete Plus membership is no longer necessary to play in NCL, if you are intending playing in more than two x 2 star (or higher) tournaments during the season then the best option is to upgrade to, or buy, a Compete Plus membership.

Should you be interested in entering a team(s), please complete the enclosed entry form, team player registration form/ranking list and send them with the all-inclusive fee of **£82.00 per team** to the organiser (see below). **The Closing Date for entries is September 10th** for all venues, but early returns would be appreciated.

LEAGUE MANAGEMENT

- The NJL will be run by the NJL Committee which is empowered to determine the conduct of the competition, resolve any disputes arising and implement any measures as it deems reasonable. Decisions of the Committee shall be final.
- The term junior shall mean players participating shall be born in 2003 or later.
- Each day at each centre will be managed by an Organiser appointed by the Committee.

LAWS, REGULATIONS, PLAYING CONDITIONS AND DRESS

- The Laws of Table Tennis as approved by Table Tennis England will apply.
- The playing area and lighting shall not be less than required for a 2* open tournament.
- Team clothing shall be of a recognisable table tennis type and of a colour other than white. Playing footwear shall be of a type that will not mark or damage the floor. ITTF clothing regulation 3.2.2.9 (clothing) will not apply.
- Notwithstanding the above the Organiser on the day in conjunction with team captains has the authority to change and accept differing conditions and standards.
- Regulation R will be fully enforced at all times during the competition.
- Racket testing may be conducted.
- Time-outs are not permitted in the NJL.

TEAM RANKING

- Clubs who have more than one team in the same division must register players separately.
- For identification, clubs who have more than one team must define each by name, number or letter.

REGISTRATION AND TRANSFER

- A team may only be represented by players who are registered on Team Ranking List/Reg. Form held by the local organiser (needs to be revised each time a new player is introduced).
- Players will be registered for their team in club/league ranking order and will play in that order. On registering further players, this ranking order is to be revised. Players playing up to a higher team twice will normally become registered for that team in which they have played their second match. No player can play against the same opposition team twice on the same day.
- Clubs may register three players and further as required. With either 5 x 2 opposition players or 3 x 3 opponents, or more, individual matches per day it may be prudent to register more for the first weekend. Players who have been registered and/or played in the Junior British League (JBL) this season are not eligible to play in the NJL.

SYSTEM OF PLAY

- The league shall be played over four Saturdays unless authorised by the Referee. If the teams in a division agree a change of date then all teams must accept any extra charges arising.

LEAGUE POSITIONS

- A point will be awarded for each individual match won within the team match.
- Positions in the division will be determined by the number of points won.
- If two or more teams are equal on points, then their relative positions shall be determined only by the results of the matches between them, by considering successively
 - 1) the number of points (individual matches) won
 - 2) the ratio of wins to losses in games
 - 3) the ratio of wins to losses in pointsas far as is necessary to resolve the order.
